Adobe Interiors - Fine Leather Furniture Store | Home Decor

The original ceilings were covered with exposed pine vigas, which, while beautiful, created a dark feel in many of the small rooms. To open up the space and flood the interiors with natural light, the house was gutted and reworked by Sharon Woods of Woods Design Builders in 2007. Newly installed floor-to-ceiling windows and French doors brightened up the space and allowed the surrounding views to be visible from every room in the house.
