Establishing a reading apprenticeship classroom begins with the work of nurturing a social environment in which students can begin to reveal their understandings and their struggles as well as to see other students, and their teacher, as potential resources for learning (Figure 2.2).

The Reading Apprenticeship Framework
Reading will help you to improve your understanding of the language and build your vocabulary. The self-study lessons in this section are written and organised according to the levels of the Common European Framework of Reference for languages (CEFR). There are different types of texts and interactive exercises that practise the reading skills you need to do well in your studies, to get ahead at work and to communicate in English in your free time.
